

Goldmuskateller Icewine 2019

Alcohol	11% alc. Vol
Acidity	6,7 g/l
Residual Sugar	146 g/l

Tasting Note

Vivid, goldish-yellow reflexes. Variety of honey flavours. Caramelised almonds. Exciting complexity from pear, peach, lychee. The well-integrated sweetness seems light-footed. High acidity supports the taste without coming to the foreground. Delicate frost flavour in the aftertaste.

Additional Information
