

Pinot Blanc Studiosus 2019

Alcohol	13 % alc. Vol
Acidity	4,4 g/l
Residual Sugar	1 g/l

Tasting Note

Rich yellow color. Pleasant smell of caramel. Ripe pear and quince. Voluminous and strong without being showy. Slight wood flavour in the background. Gentle taste of walnuts. Long presence on the palate.

Knowledge must not be prohibited from anyone

Learning is like rowing against the current. As soon as you stop, you drift back. It is the same for us when producing wine. Therefore we decided, that we will call a new line of wine into existence with the year 2018. Studiosus was born. Under this name, we will produce an unique wine out of different grapes or in different styles every year. No vintage is like the one before. Therewith you will be able to discover new wines vintage after vintage. Watch out though, only a small amount of bottles will be produced!

30% of the net income of this bottle will be donated to Teach For Austria. In this way we can support them in creating better chances of education for every child, no matter how much money or education their parents have. For more information visit their website: www.teachforaustria.at
